

OMAR ALFARRAJ

Riyadh, Saudi Arabia | Omaralfarraj2002@gmail.com | +966 559031047 | Arabic (Native) & English (Proficient)

SUMMARY

Information Technology student majoring in Cybersecurity, with a strong passion for protecting systems, analyzing threats, and understanding digital risks. Skilled in problem-solving, analytical thinking, and teamwork, with solid English communication skills and a continuous drive for improvement. Highly motivated to learn, grow in real-world environments, and contribute to impactful cybersecurity projects.

SKILLS

- | | | |
|----------------------------|---------------------|------------------------------|
| • Communication skills | • Problem-solving | • Risk analysis |
| • Teamwork & collaboration | • Critical thinking | • Security incident handling |
| • Self-learning ability | • Time management | |

EXPERIENCE

| | |
|---------------------------------------------------------|------|
| GRADUATION PROJECT | 2025 |
| Cloud-Based Threat Intelligence and Information Sharing | A+ |

A cloud-based platform designed to enhance cybersecurity by enabling real-time threat detection, analysis, and information sharing across organizations using AI and scalable cloud infrastructure.

- Developed a secure web platform using PHP and AWS cloud services.
- Implemented AI-driven threat detection and classification features.
- Enabled real-time data sharing between organizations to improve response speed.
- Utilized AWS components (EC2, S3, DynamoDB, Route53) for scalability and reliability.
- Designed a user-friendly interface with role-based access.
- Contributed to system analysis, UI design, and integration of external threat feeds.

EDUCATION

| | |
|-------------------------------------------------------------|----------------|
| Bachelor's Degree in Information Technology – Cybersecurity | 2021 – Present |
| Majmaah University, Saudi Arabia | |

CERTIFICATIONS & TRAINING COURSES

| | | |
|----------------------------------------|----------------------------|------|
| Cybersecurity Tools & Cyberattack | Coursera | 2025 |
| AWS Academy Cloud Foundations | Amazon | 2025 |
| Crash Course on Python | Coursera | 2024 |
| CS50: Introduction to Computer Science | Harvard University | 2023 |
| English for Career Development | University of Pennsylvania | 2023 |
| CPA: Programming Essentials in C++ | Cisco Networking Academy | 2022 |
